MEMORANDUM FOR: Chief, Military-Economics Division, ORR

ATTENTION:

THROUGH:

Chief, Requirements Branch, Reconnaissance Group, CGS

FROM:

Chief, CIA/PID (NPIC)

SUBJECT:

An SA-2 SAM Search Within a 30-Mile Radius of Nine Cities in Northern Poland

REFERENCE:

- (a) Requirement C-RR-3-80,552
- (b) CIA/PID Project C 1260-63

1. This memorandum is in response to your requirement dated 9 September 1963 requesting a search be made for SA-2 SAM sites within a 30-mile radius of the following cities: Biedrusko, Slupsk, Dopiewo, Misdroy, Gardeje, Stettin, Stargard, Kolberg, Griefenberg; all located in Northern Poland.

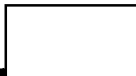

2. All [redacted] photography that passed over or near these areas was searched for possible SA-2 SAM sites. It was found that all missions over this area of Poland were between 85 and 100 percent cloud covered. No search area was found to be 100 percent cloud free. The quality of the photography was fair. The most recent coverage of the area, [redacted] was approximately 90 percent cloud covered. No SAM sites were observed in the cloud free portions of the search area. Due to the incomplete coverage of the search areas, a confirmation or negation of SA-2 SAM sites cannot be made at this time.

3. The photo analyst on this project is [redacted] and he may be contacted on [redacted] should any questions regarding this project arise.

4. This project is considered to be complete.
